PROFIT ALERT

This announcement is made by Jacobson Pharma Corporation Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09(2)(a) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and the Inside Information Provisions (as defined under the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board of directors of the Company (the “**Board**”) wishes to inform shareholders of the Company (“**Shareholders**”) and potential investors that, based on a preliminary review on the unaudited consolidated management accounts of the Group for the financial year ended 31 March 2019 and the information currently available to the Board, the Group is expected to record an increase of over 20% in the consolidated profit attributable to shareholders of the Company for the financial year ended 31 March 2019 as compared to that for the financial year ended 31 March 2018.

The expected increase is mainly attributable to a steady growth of the Group’s generic drug business augmented with the sales revenue generated from newly in-licensed products, in addition to an uplifted sales performance on proprietary medicines. Operating leverage and financial savings derived from cost control measures also helped contribute to the expected increase in earnings. Fair value gain on investment properties of the Group is also expected to contribute, although to a lesser extent, to the increase in consolidated profit attributable to shareholders of the Company.

As at the date of this announcement, the consolidated results of the Group for the financial year ended 31 March 2019 has not yet been finalized. The information contained in this announcement is only based on a preliminary assessment by the Board with reference to unaudited consolidated management accounts of the Group for the financial year ended 31 March 2019 and the information currently available to the Board. Such information has not been audited or reviewed by the auditors of the Company. Further details of the Group's performance will be disclosed in the annual results announcement of the Company for the financial year ended 31 March 2019 in accordance with the Listing Rules, which is expected to be published before the end of June 2019.

Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company.
